Re: Mrs. Oksana Lisovska

Credentials of academic standing were submitted to the Comparative Education Service for interpretation and appraisal.

According to these documents, the above-mentioned person registered for a program of studies, at the National Academy of Internal Affairs of Ukraine, Kiiv, Ukraine.

Degree or Diploma obtained: Specialist's Diploma and qualification of "Jurist/Lawyer", specializing in Jurisprudence, in 1998.

Because of differences in admission qualifications, subjects, length of courses, degree requirements and practical experience required, we are unable to compare Mrs. Lisovska's Diploma to the Bachelor of Laws degree offered by the Faculty of Law of the University of Toronto. However, we would consider her qualifications to be comparable in academic level to a Canadian Bachelor's degree.

This assessment is for general and employment purposes only, and it does not constitute an offer of admission to a university. In addition, this letter does not commit any professional organization to accept our assessment in lieu of its own established classification requirements.
